Subject: JFC action drafting request - EIF

Becky,

This morning, JFC took budget bill actions on the Environmental Improvement Fund. Could you draft budget bill amendment(s) that include the following:

Paper 270, Alternative 3a:

- Change clean water fund present value subsidy limit to \$61,900,000
- Delete \$42,900,000 in clean water fund general obligation bonding authority. This should change the dollar amount in s. 20.866(2)(tc) to \$740,843,200.
- Delete \$7,400,000 in clean water fund revenue obligation bonding authority. This should change the dollar amount in s.281.59(8)(f) to \$2,708,900,000.

Paper 271, Alternative 3:

- Change safe drinking water loan program present value subsidy limit to \$26,900,000
- Delete \$1,700,000 in safe drinking water general obligation bonding authority. This should change the dollar amount in s.20.866 (2)(td) to \$60,200,000.

Paper 272, Alternative 3:

- Provide a present value subsidy limit for the land recycling loan program of \$300,000 for 2013-15, and \$1,000 for subsequent biennia.

Thanks for your help.

2. Approve the following for the safe drinking water loan program: (a) an increase in general obligation bonding authority of \$5,400,000 (based on estimated federal funding of \$39 million instead of \$46 million); and (b) a "present value subsidy limit" of \$29.0 million for the safe drinking water loan program, based on an estimated 5.0% revenue market interest rate (a decrease of \$0.6 million from the bill).

ALT 2	Change to Bill Revenue
BR-GO	- \$1,700,000

3. Approve the following for the safe drinking water loan program: (a) an increase in general obligation bonding authority of \$5,400,000 (based on estimated federal funding of \$39 million instead of \$46 million); and (b) a "present value subsidy limit" of \$26.9 million for the safe drinking water loan program, based on an estimated 4.5% revenue market interest rate (a decrease of \$2.7 million from the bill).

ALT 3	Change to Bill Revenue
BR-GO	- \$1,700,000

4. Delete provision.. There would be no new bonding authorized for the safe drinking water loan program. The current law safe drinking water loan program present value subsidy limit for any biennium after 2011-13 is \$1,000 which would not be sufficient to fund any expected projects during the 2013-15 biennium. The state would not be able to accept federal capitalization grants in 2013-15.

ALT 4	Change to Bill Revenue
BR-GO	- \$7,100,000
